

The time has come; there is so much going on at Harviestoun that we felt we simply had to share. The plan is to produce a newsletter quarterly to keep you posted. Should you have any friends or colleagues who would be interested in reading about Harviestoun, ask them to visit our website where they can register to receive copies. If you have any ideas regarding content or any questions, please do not hesitate to mail us at info@harviestoun.com

BUY BEER ON-LINE

Our website has recently been updated and, for those of you in the UK but miles from a quality retail establishment, it now features a secure shop from which you can buy ALL our bottled beers, including Ola Dubh. Now you don't even have to leave the house to enjoy a bottle of Schiehallion.

BITTER & TWISTED ON DRAUGHT

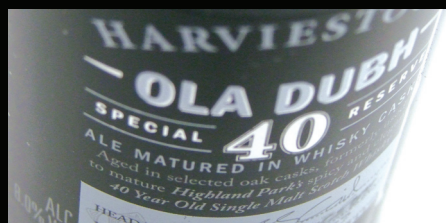

We are actively looking to place Bitter & Twisted in gastro-led pubs, upmarket bars and prestigious hotels, and have been trying out a draught version at 4.2% ABV - with great success. As with the bottle, we use lower levels of CO2 than other keg beers.

We have had fantastic feedback on the beer and are delighted that many prestigious establishments are serving delicious chilled pints of B&T. It is now available at all six City Inn hotels (Birmingham, Bristol, Glasgow, Leeds, London and Manchester) as well as the Hotel du Vin and Rutland Hotel in Edinburgh. We're also making quite a splash in London with many fine hotels, bars and restaurants recognising the need for a distinctive, modern beer to complement their food and wine offer. Let us know if you come across anywhere we should visit. info@harviestoun.com

NEW OLA DUBH

At last – the long wait is over. As you may know, the entire first production run of Ola Dubh, our award-winning porter-style ale finished in casks formerly used to mature Highland Park whisky, went to the USA where it met with great success and greater plaudits. Since then we have been working on the next batch which has now been released. As well as the original line up of Ola Dubh Special Reserve 12, 16 and 30, we are delighted to announce the release of Ola Dubh Special Reserve 18 and 40.

THE COBURG BAR AT THE CONNAUGHT

Voted London's Best Bar by *Time Out* in 2008, this landmark is one of the places to be seen. Overseen by the urbane Mark Jenner, there is nothing on the list that is less than distinctive and top quality. The clientele is largely from overseas but always well-heeled. If a guest at The Coburg Bar asks for a beer, he or she will be offered a choice of three, two of which are from Harviestoun. So next time you fancy a bottle of Schiehallion or

an Ola Dubh, you know where to go – bear in mind the complimentary hand-made crisps and excellent olives make it a sumptuous experience!

SEASONAL FOOD MATCH

As Christmas approaches pour yourself an Ola Dubh and tuck into some Montgomery Cheddar followed by a slice of fruit cake.

LAST WORD

"Just had my first bottle of Harviestoun Ola Dubh Special Reserve 30 and had to write you to say, 'oh my God!'. This is amazing! Friend of mine spotted it at our new gourmet beer store in town (Atlanta, GA USA). Only downside is I am looking now at my half empty glass and sipping it ever so slowly to keep the remnant of bottle #14381 with me as long as possible. Congrats...this is one of the finest ales I have ever had. You now have one more VERY loyal customer." Gary Hasty, USA
