## Car Sticker Competition!

The Loddon Brewery car Sticker competition has begun! The concept is a simple one; take the most original photograph of your vehicle (car, bike, boat, bus, space hopper etc) with a Loddon Brewery car sticker, upload it onto our Facebook page, and you could win 36 pints of beer. Two runners up will also win 9 pints. The only

rule is that the photos must be 100% original and 'photoshopping' is not allowed! The deadline for entrants is the 31st July 2010, giving you plenty of time to upload photos from all the exotic places you may visit. We have created an event page for the competition which is directly linked from to our Facebook page. There is also a promo video which explains all the instructions in more detail. All that's left to say is good luck and happy snapping!

You can now watch all of the Loddon Brewery videos on YouTube!
