TRADE DIRECTORY SIBA produces an annual Trade Directory of all of our Supplier Associate members. The online version appears on our national website throughout the year and a printed copy is sent to all members in January.

LEGAL PORTAL

FREE ADVICE FROM EXPERIENCED SOLICITORS As with all manufacturing industries, breweries and their suppliers are unfortunately open to a variety of legal issues. To help protect your brewing business Silver Members, Napthens Solicitors offer members the best advice from a firm with a wealth of experience. All members are eligible for one hour's free legal advice and there's no limit on the number of times you can use this service in a year.

BEER AWARDS

SIBA'S REGIONAL & NATIONAL INDEPENDENT BEER AWARDS take place throughout the UK, with 8 Regional competitions and a Digital small pack with the national final held at BeerX UK. As well as gaining valuable local and national press coverage, award winning beers have the opportunity to participate in the SIBA Taste of Champions. Supplier Associate Members are invited to judge at both Regional & National Competitions throughout the year which represent a great opportunity to network with brewers and increase your team's beer knowledge.
